**Sun Rich Fresh Foods Recalls Apple Slices (listeria)**

Sun Rich Fresh Foods Inc. [05/01/15]

FOR IMMEDIATE RELEASE  
SUN RICH RECALL TEAM / 1-800-661-0087  
May 1<sup>st</sup> 2015

**SUN RICH FRESH FOODS INC. RECALLS APPLE SLICES BECAUSE OF POSSIBLE HEALTH RISK**

Sun Rich Fresh Foods Inc. of Richmond, BC, Canada is voluntarily recalling sliced apple and products containing sliced apples, from its Northeast Fresh Facility located in Brampton, ON, Canada because they have the potential to be contaminated with *Listeria monocytogenes*, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, *Listeria* infection can cause miscarriages and stillbirths among pregnant women.

Apple slices and products containing sliced apples were distributed to IL, IN, KY, MI, MN, MO, ND, OH, WI and WV through retail stores, distributors and food service establishments. **The recall is limited to product produced out of the Brampton, ON Canada facility which is identified by a 7 digit numerical lot code that begins with the number 2.**

The voluntary recall was the result of an abundance of caution by Sun Rich following a routine sampling program by the Canadian Food Inspection Agency (CFIA) which revealed that the finished products possibly contained the bacteria.

Check to see if you have recalled products in your home or establishment. Recalled products should be thrown out or returned to the location where they were purchased. Customers have been contacted with regards to handling of affected product. Consumers with questions may contact the company at 1-800-661-0087 between the hours of 8am – 7pm EST Monday thru Sunday.
