OFFICIAL TEXT:

Fresh & Easy Neighborhood Market Inc., is voluntarily recalling fresh Organic Baby Spinach with the Enjoy by date of Aug 01 sold under the f&e label.

The recall notification is being issued out of an abundance of caution based on a random sample test, conducted on behalf of the Food & Drug Administration (FDA). One bag of this product with the Aug 01 Enjoy by date was confirmed to be positive for Listeria monocytogenes. No illnesses have been associated with this product.

Listeria monocytogenes is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, listeria infection can cause miscarriages and stillbirths among pregnant women.

Fresh & Easy believes that it is important to alert consumers that might still possess this product with the Enjoy by date of Aug 01. Customers still in possession of this expired product should immediately dispose of it.
