

# CARROTS

## Over 50 Years of Farming Heritage

Headquartered in Bakersfield, California, Grimmway Farms traces its roots to a produce stand opened by the Grimm brothers. Today, Grimmway is the world's largest producer of carrots. We maintain our commitment to caring for customers and employees, honoring sustainable practices and preserving natural resources for generations to come.

## Carrots in an Array of Sizes & Cuts

As the world's largest carrot grower, we deliver premium carrots in a variety of sizes and cuts, year-round. We couple our carrot portfolio with a robust offering of over 65 organic vegetables which allows us to be a one-stop shop for our customers. We pride ourselves in maintaining the quality of all of our products.
